Dear Pappy -

The fellow taking Walter
Mueller's place is:

Harvey Siebert, formerly
of Adrian College, Mich.

Ever -
Walt.

Mon - if this doesn't suit -
leave it for me - and see
get you something else.
I couldn't find one that
was wide enough - except
short ones.

Have a good trip - and
both of you behave yourselves!
This is a bit early - but I
don't want to miss it.

Dear Tiby -

Thank you for your letters and the Times clipping. Certainly glad to learn that Dalet was able to have such a wonderful "find" for a secretary and will send him the \$120⁰⁰ next month.

We've finally found a house in Demarest, N.J. and have leased it for the Gross. will be here. It's at the very end of the 8th Ave subway - and faces a golf course. Has 7 rooms - 4 bedrooms - 2 baths - garage - fire, phone etc. so we shall start living "again".

Mary and I were
truly inspired and greatly
moved by ~~the~~ Butterick^(sp)
as the Madison Ave. Presby-
terian Church Sunday -
and it was our good
fortune that Ted Walsen
of the N.Y. F.D.R. was
present and introduced us
to Dr. Butterick. We
certainly are going to attend
his church as often as
possible. What a consec-
rated man! He preaches
seems in fire for the
cause of Christ and
His Kingdom - and I'm
sure he can do us
a lot of good.

We hope this finds
you and Alma well
and that every thing on
the hilltop is running
smoothly. Gratefully & fondly
yours, John & Mary
